:

This is in response to the petition under 37 CFR 1.47(a), filed August 16, 2002 (certificate of mailing date August 12, 2002).

The petition is granted.

Petitioners have shown that the non-signing inventors, Moon, Davis, and Galvin, have refused to join in the filing of the above-identified application after having been presented with the application papers. Specifically, the petition and accompanying exhibits establish that the attorney representing the non-signing inventors was mailed the application papers, including the specification, claims and drawings, and a declaration, but the inventors failed to respond to the request that they sign the declaration within a specified period of time. This application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventors at the addresses given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

After this decision is mailed, the above-identified application will be forwarded to Technology Center 1700 for examination in due course.
